

Main Goals: Look at the 11 courses offered at the AA level, Teacher Education Track, to determine in what capacity the ELGs can be applied to each course, identify what type of activities can be used in those courses to teach ELGs.

First Activity: Group work to determine whether the course would address the ELG's "Not at all", "Introductory", "Deep" or "Deeper".

Levels of Depth	Class
Not at all	No Classes were determined to meet this criteria
Introductory	Professionalism; Health Safety and Nutrition;
Deep	Guiding Young Children; Family & Community Collaboration; Intro. To Language, Literacy and Reading; Child Growth, Development and Learning
Deeper	Assessment of Children; Curriculum Dev. And Play + Practicum; Curriculum Development and Implement + Practicum.

Introduction	Deep	Deeper
Tab ELG book	Scavenger hunt	Jeopardy game
Introduce the ELG Curriculum Spiral/Process with a puzzle that they have to put together.	Observation linked to EIs	Role play/scenarios (PTC using the ELGs)
Connect Guiding Principles to Ethics	Create an activity linked to EIs	Connecting the observation, planning, implementation, and assessment of EIs
Video clips that match EIs	Find an article that relates to the ELGs	Linking a reflection to an EI
Exploring the www.newmexicoprek.org website or other websites	Create a bulletin board /or newsletter to inform families	Case Study- following a child
	Labeling centers in the classroom with EIs addressed in that area	Develop a curriculum unit
	Collect photos or pictures and connect them to the ELGs	Implement a lesson utilizing an ELG
	Put continuum cards in chronological order	

Additional Notes from Session: (Paste in the document of session notes here.)
